The collage consists of five circular images arranged in a cluster. Top-left: Cleaning supplies including blue spray bottles, yellow gloves, and sponges. Top-right: Two workers in orange vests and hard hats loading yellow trash bins into the back of a green waste truck. Bottom-left: A clean public restroom with a white toilet, a urinal, and a sink. Bottom-center: A worker in a full white protective suit and mask, carrying a blue fumigation sprayer, walks past a wooden door. Bottom-right: A landscaper in a blue uniform and orange gloves uses a power tool to trim a green hedge. The background of the collage features a faint image of a modern building under construction with scaffolding.

About Us

We are a professional cleaning, fumigation, landscaping and garbage collection services company in Malawi.

Petma General Services is a Malawian based company established in the year 2017 and was duly registered in the year 2018, under the Malawi Business Registration Act (No12 of 2012) Laws of Malawi, entered under number MBRS1032036 to offer professional commercial cleaning services and residential hygiene solutions in Malawi. We are specialists in commercial/domestic cleaning, fumigation/pest control, landscaping/gardening and other housekeeping services. We offer our services on same-day-service delivery as well as regular visits.

Our Mission

- To be the role player in the industry
- To be leaders in excellent service delivery
- To be employment creator for the greater public

Our Services

Commercial Cleaning

We have years of experience in commercial cleaning throughout Malawi and our dedicated team understands all aspects of commercial cleaning. We offer quality cleaning services to companies of all types and across various industries; from state pavillions to upscale offices.

Domestic Cleaning

You're happier and healthier when your living space is clean. However, it can be difficult to find the time and effort for proper house cleaning. That is why we are here: so you can focus on what matters to you.

At Petma General Services we provide one-off as well as regular home cleaning services and are happy to cater for all your domestic cleaning needs, with services including ironing, dusting, polishing and vacuuming.

Our Services

Car Cleaning

We maintain a specialized car detailing service that aims to clean, polish, protect and help maintain the cars' sleek appearance restoring the vehicle to its showroom look. Our Specialty with auto services includes wash and vacuum, interior shampoo, fabric protection, leather protection, paint protection, high-speed polishing, engine shampooing, rust proofing and windshield watermark removal.

Window Cleaning

We will work to your window cleaning requirements, whether on annual maintenance contract or daily cleaning service. We provide window cleaning services for both internal and external glass at hand height, using our experienced window cleaners and professional equipment. Our services include cleaning windows, glass lifts, glass doors, glass roofs and canopies and other glass surfaces.

Our Services

Fumigation and Pest Control

We have perfected the art of eradicating pests by recognizing infestation trends of different pests and coming up with the reducing the damage caused by insects and other pests done by baiting, application of repellents and eradication treatment against insect pests such as termites, cockroaches, sugar ants, bedbugs, mites, woodworms, the best way of handling them using environmentally friendly products.

Landscaping and Gardening

Our landscaping and garden maintenance provides a unique quality management in the growth and direction of your flowers, shrubs, trees and grass. We transform terrains from rugged, desolate, soil heaped, bushy and debris filled surfaces to serene manicured lawns and flower gardens. The result offers an aesthetically pleasing, beautiful and environmentally responsible landscaping.

Our Services

Sanitary Hygiene Solutions

Petma General Services provides a range of quality washroom services and hygiene solutions throughout Malawi, at affordable prices. We supply, install and service a wide range of washroom hygiene solutions such as pedal bins, dispensers, paper rolls, sanitizers and other consumables.

Garbage/Waste Management

We offer garbage collection services to corporate and residential clients. We have an environment friendly and fully self-contained cleaning unit that empties the garbage cans and cleans them ensuring that the work premises remains clean. Our focus is to provide professional & eco-friendly rubbish removal and collection service in Malawi.

PETMA at Work

We have dedicated, qualified and experienced staff who are well conversant with the local market demand and sustaining the company success at its discretion and saving time and money through timely delivery of our services.

Our Clients

Our customers are the heart of our business at Kamtix. We are motivated and inspired everyday to offer you an efficient cleaning, maintenance option that will enable you to remain focused on your core business
